3. Common stones that have echoed
their praises are holy,
and the dust of the ground
where their feet have once trod;
yet in this place confessed
they were stargers and pilgrims,
and still they were seeking
the city of God.

4. Sing praise, then, and thanks
that God's love here has found them
whose journey is ended,
whose perils are past;
they believed in the light;
and its glory is round them,
where the clouds of earth's
sorrows are lifted at last.
